# Laugh **A** Lot

Enjoy a good belly laugh? Then don't miss the surprising and hilarious antics of the retired seniors implicated in the uplifting farce, **VIAGARA FALLS** and the 70 year old Virgin! Join us on their theatrically live and jovial journey:

Take a lusty gran, a shy man, a bottle of "pills", a resident snoop and hey presto, there's havoc afoot in Serenity Gardens Retirement Village in Cemetery Road! Toss in a mad Scot, an terrorist cop and mix them in with an ex-reverend, a faith-healing doc and the recipe from all hell is ready to break loose.

Who knew that a sixty-something's wedding could give rise to such chaos, calamity and kinky chemistry - not to mention the Caftans? Shssh...don't mention the Caftans. Why not? You'll just have to come along to the theatre, and see for yourselves....
